Dear Parents:

Wheatland High School will continue the practice of offering a “second or double entrée” at lunch for students in grades 9-12. Double entrée will not be offered at breakfast.

As an example; if pizza is being served as the entrée, everyone who eats lunch receives one piece of pizza. Any student signed up for a double entrée on that day will receive two pieces of pizza. Morning lunch counts will include a count of those students requesting the double entrée.

The cost for the second entrée remains at \$1.00. The student’s lunch card will be scanned for payment of the additional \$1.00. ALL second entrée requests cost \$1.00 – even for students receiving free or reduced priced meals.

This second entrée option is a parental decision and I am asking parents to complete the form on the bottom of this letter and return it to the Wheatland High School Office. This signed form must be on file in the high school office for students to eligible for the second entree.

If you have any questions please call Gary Kraus at 785-673-4223.

Sincerely,

Gary Kraus – Superintendent
